East Elmhurst, NY**

Registration: 8:00am Lecture 8:30am to 4:00pm

This course is limited to 30 attendees

Presentation by Dr. David Gardner

Dr. David Gardner received his BA from The Ohio State University. He continued his education receiving his Doctor of Dental Surgery from SUNY at Buffalo, School of Dental Medicine. Dr Gardner then completed a two-year General Practice Residency at North Shore University Hospital, where he served as Chief Resident. He continued his postgraduate education completing a Fellowship in Advanced Prosthodontics and Implant Dentistry. He remains an Attending at North Shore serving as Chief of the Implant Fellowship, teaching others the surgical placement and restoration of Dental Implants.

Dr. Gardner is a member of several professional organizations. He has received numerous awards and has contributed to the dental literature with several publications. In addition, he has served on the editorial staff of the International Journal of Oral and Maxillofacial Implants. Dr. Gardner has lectured nationally on concepts pertaining to Restorative and Implant Dentistry.

Course Goals and Objectives

This one day intensive course will be a valuable adjunct to your training. The objective is to aid in making implant dentistry as routine as any other restorative procedure in your practice. Implant dentistry can be accomplished in a straightforward, logical manner. The course will include both didactic education, hands-on experience and laboratory procedures. Topics include:

History of Dental Implants
Osseointegration
Implant Single Crowns
Implant Fixed Partial Dentures
Implant Overdentures
Implant Surgery
Advances in Implant Surgery
Abutments

**Participants are encouraged to bring cases, as time will be provided to review options.*
